1 Selection Sunday Countdown
Before the tournment begins, the countdown will appear over the Bracket banner. This banner will not click-through to the Bracket until the countdown ends and the teams have been selected.

2 Video player/playlist
On the homepage, the video playlist will not contain the match-up videos. Instead, it will display more general content, like overall analysis videos on the season and highlighted teams.

These are the related NCAAB Headlines and March Madness content.

4 See How Your Team Ranks...
When the user starts typing, a smart list will start to populate below the input with suggestions. After the user selects a team, they will need to hit the ">" submit button to view their team's TPI Breakdown (see page 2).

1 **TPI Breakdown Overlay**
This overlay pops up when a user selects a team in the TPI module. It will contain info graphics, rankings and share functionality. Closing this overlay will bring the user back to the homepage, with the "See How Your Team Ranks" input cleared.
